Congress of the United States Washington, DC 20515

April 24, 2016

The Honorable Barack Obama The White House Washington, DC 20500

Dear Mr. President:

We write to express support for Governor Abbott's request for a major disaster declaration on behalf of Texas counties impacted by severe storms and flooding beginning on April 17th. These storms caused widespread flooding across north, central and southeast Texas including the Houston metropolitan area, with some areas receiving nearly two feet of rain. Governor Abbott declared a state of disaster for Austin, Bastrop, Bosque, Colorado, Fayette, Fort Bend, Grimes, Harris, Liberty, Milam, Montgomery, Palo Pinto, Parker, San Jacinto, Waller, and Wharton counties on April 18th.

In just under 12 months, the state of Texas has been hit by four severe storms causing untold damages and hardships. Most of the storms listed above have been declared in one or more of these major disasters. Over half the counties in Texas and over 70 percent of Texans have been affected by these storms. As vast as the state is, simply put, the resources of these people, the jurisdictions, the state, and voluntary organizations are exhausted.

Last week, more than 1,200 high water rescues were reported and more than 11,000 homes were affected as a result of the storm. Approximately 134,000 customers experienced power outages during the peak of the storm. Thirteen shelters were opened to support disaster survivors. Forecasts show the possibility of more rain. Even one to two additional inches will cause more flooding with grounds saturated from last week's storms. River flooding continues to threaten areas of Texas as accumulated rainfall moves downstream.

The Governor has determined that this event is of such severity and magnitude that effective response is beyond the capabilities of the state and the affected local governments, and has requested Individual Assistance, Hazard Mitigation, and Small Business Administration assistance for Fayette, Grimes, Harris, and Parker counties. Damage assessments will continue throughout the impacted areas and it is likely the Governor will request additional assistance in the coming days.

We urge you to give expeditious consideration to, and approval of, the Governor's initial request and any subsequent requests related to this disaster.

Sincerely,

/s/ Michael T. McCaul
